

BARNFIELDS' BULLETIN

Spring Term Newsletter - Week 2 (18.01.2019)

Our School Values: Reflection, Respect, Positivity, Responsibility, Resilience.

MESSAGE FROM THE HEAD:

It was a pleasure to welcome the parents of our Reception children to join us for lunch on Wednesday. It was the children's first venture to the main school building for lunch and they all coped very admirably to the change of routine. This was the first part of their transition into Year 1 and we look forward to seeing them in the main building more often as the term progresses.

It was great to see the children using the cycle track at playtimes last week. They were all very sensible with their riding and it is a fantastic way to spend their break times. If your child can ride a bike and wants to use the facility at playtimes, please ensure they have returned the letter that came out at the beginning of term. We are so lucky to have this facility and it is another activity that we can offer alongside the activities Mr Triggs arranges at playtime.

With the predicted cold spell could we ask that all children have a suitable coat to wear when they are outside. We will also be continuing with outdoor PE lessons so please ensure they have appropriate attire for these so we can carry on developing their skills.

I hope you all have a relaxing weekend.

Mr Ball

MESSAGE FROM THE DEPUTY

This week, all of the children have been thoroughly enjoying their new topics. Year 1 have been learning all about different toys, Year 2 have been learning about the weather and Year 4 have been learning about the Anglo Saxons.

On Monday, our Year 3 children visited the local Co-Op on Wildwood to take a closer look at the different foods that are on sale. As part of their recent learning in Science based on a balanced diet, they examined the food packets to look at the nutritional value of different products. They then used this knowledge in their English lessons to write a persuasive letter to the store asking them to stock healthier products, particularly those near the till area. They were all really enthused by this 'real-life' learning and produced some wonderful pieces of writing. Well done Year 3!

UPDATES AROUND SCHOOL

Every break time, Mr Triggs sets up a range of different games and activities to play. It has been great to see so many children taking part in physical exercise and enjoying the competitive element of the different games on offer.

This week, we also opened the track for our KS2 children to ride their bike around. Many have taken full advantage of this and have enjoyed this extra activity.

**WEEKLY
UPDATE**

On Thursday, we invited our EYFS parents, carers and grandparents into school to have lunch with their child/children. It was great to see so many attend and the cooks were once again very busy preparing a wonderful lunch for everyone. As part of their transition, this was the first time our EYFS children ate in the main school hall—they all did exceptionally well.
