Date Approved:	Print Name:
Date to be Reviewed:	Signed:

1. Aims

The aim of this policy is to set out what charges will be levied for school activities, external lettings and extended school provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. Guidance is based on the Education Act 1996: Sections 449-462.

2. Responsibilities

The Governing Board of the School is responsible for determining the content of the policy and the head teacher for implementation. Any determinations with respect to individual parents will be considered jointly by the head teacher and Governing Board.

3. Assumptions

1. As a Trust, Leasowes and Barnfields does not prepare pupils for prescribed public examinations or re-sits of such examinations.
2. Under current arrangements for music tuition, provided by Entrust, pupils enter the Staffordshire prescribed public music examinations via Staffordshire Performing Arts. Leasowes and Barnfields thus has no charging or remissions obligations in this regard.
3. Music tuition prepayment is compulsory and non-refundable

4. Definitions

Community Facilities – activities which the governors do not feel is of direct educational benefit to children at the school

Extended school provision – provision of childcare outside the standard school day where it is optional as to whether the child attends

External Lettings – letting to an organisation other than the school

Remission – where a charge is not payable, either in full or in part

- education provided on any trip that takes place outside school hours if it is part of the National

- transporting registered pupils to other premises where the governing board or local education authority has arranged for pupils to be educated

Consideration will also be given to:

- the proportion of the costs recovered where a charge is to be made
- whether any remission is to extend beyond the statutory minimum
- whether or not special consideration is to be given to hardship cases not contained within the exemptions and how this is to be determined
- arrangements for education where the parents fail to pay the charge being levied by the school
- the level of support from the school budget where the level of voluntary contributions is insufficient to fund the visit or journey
- any charge for a pupil activity should not exceed the actual cost. If further funds need to be raised to help in hardship cases, this must be voluntary
- for lettings, the charge should at least cover the cost, including:
 - Services (heat & light)
 - Staffing (security, caretaking & cleaning)
 - Administration

7. Remissions

Children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are:

- a) Income Support
- b) Income Based Jobseeker's Allowance
- c) Income Related Employment and Support Allowance
- d) Support under part VI of the Immigration and Asylum Act 1999
- e) Child Tax Credit, where the parent is not entitled to Working Tax Credit and whose annual income (as assessed by HMRC) does not exceed £16,190

8. Voluntary Contributions

Parents will be invited to make a voluntary contribution for the following:

- a) Visits that take place during school hours including the cost of entrance fees and transport
- b) Visitors to the school such as theatre groups and authors or similar where a cost is incurred for their services

The request for a voluntary contribution in no way represents a charge. The contribution is genuinely voluntary and a parent is under no obligation to pay; registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The costs of any optional extra undertaken by any pupil whose parents/carers are unable to pay is not included in the charge to other pupils but funded through the delegated budget or other fundraising.

The responsibility for determining the level of voluntary contribution is delegated to the headteacher.

Note to parents:

Any contributions requested for activities such as trips and visitors into school are **genuinely voluntary**. Care is taken to ensure the pupils of parents who are unable or unwilling to contribute are not discriminated against. **Where there are not enough voluntary contributions to cover the cost of the activity and there is no way to make up the shortfall, then it is cancelled.** This is made clear in communications with parents.

It is always the true cost of the activity that is charged for eg entrance fees and transport costs, divided between the total numbers of children involved.

Costs do not include subsidies to cover for those who are unable or unwilling to contribute.

Refunds of voluntary contributions will be considered on a case by case basis, eg illness where the child is unable to participate in the activity. A written request must be provided to the Headteacher.
