### Privacy Notice 2021-22:

## Privacy notice for Parents/Carers – Use of Your Child’s Personal Data

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing ‘privacy notices’ to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils**.

SESAT are the ‘data controller’ for the purposes of data protection law.

Our Data Protection Officer at Barnfields is Tracey Thorley (see ‘Contact us’ below).

Our Data Protection Officer at Leasowes is Tim Smale (see ‘Contact us’ below).

### The personal data we hold

Personal data that we may collect, use, store and share (when appropriate) about pupils includes, but is not restricted to:

- *Contact details, contact preferences, date of birth, identification documents*
- *Results of internal assessments and externally set tests*
- *Pupil and curricular records*
- *Characteristics, such as ethnic background, eligibility for free school meals, or special educational needs*
- *Behavioural and Exclusion information*
- *Details of any medical conditions, including physical and mental health*
- *Attendance information*
- *Safeguarding information*
- *Details of any support received, including care packages, plans and support providers*
- *Photographs*

We may also hold data about pupils that we have received from other organisations, including other schools, local authorities and the Department for Education.

### Why we use this data

We use this data to:

- *Support pupils’ learning*
- *Monitor and report on pupil progress*

- *Provide appropriate pastoral care*
- *Protect pupil welfare*
- *Keep children safe*
- *Assess the quality of our services*
- *Administer admissions waiting lists*
- *Carry out research*
- *Comply with the law regarding data sharing*

## **Our legal basis for using this data**

We only collect and use pupils' personal data when the law allows us to. Most commonly, we process it where:

- *We need to comply with a legal obligation*
- *We need it to perform an official task in the public interest*

*Less commonly, we may also process pupils' personal data in situations where:*

- *We have obtained consent to use it in a certain way*
- *We need to protect the individual's vital interests (or someone else's interests)*

Where we have obtained consent to use pupils' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

Some of the reasons listed above for collecting and using pupils' personal data overlap, and there may be several grounds which justify our use of this data.

## **Collecting this information**

While the majority of information we collect about pupils is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you or your child, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

## **How we store this data**

We keep personal information about pupils while they are attending our school. We may also keep it beyond their attendance at our school if this is necessary in order to comply with our legal obligations. Our record retention schedule sets out how long we keep information about pupils.

In accordance with GDPR, the school does not store personal data indefinitely; data is only stored for as long as is necessary to complete the task for which it was originally intended.

## **Data sharing**

We do not share information about pupils with any third party without consent unless the law and our policies allow us to do so.

Where it is legally required or necessary (and it complies with data protection law) we may share personal information about pupils with:

- *Our Local Authority – to meet our legal obligations to share certain information with it, such as safeguarding concerns and exclusions*
- *The Department for Education*

- Regulation 5 of The Education (Information About Individual Pupils) (England) Regulations 2013

All information we share with the DfE is transferred securely and held by the DfE under a combination of software and hardware controls which meet the current [government security policy framework](#).

## **The National Pupil Database (NPD)**

The NPD is owned and managed by the DfE and contains information about pupils in schools in England – it provides evidence on educational performance to inform independent research as well as studies commissioned by the DfE.

Information on the NPD is held in an electronic format and it is securely collected from a range of sources, including schools, LAs and awarding bodies.

You can find out more about the NPD by following this link:
