

# THE FOUNDATIONS OF THE DESIGN AND TECHNOLOGY CURRICULUM IN EYFS: CURRICULUM PROGRESSION

The development of children’s artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.

## MINIBEAST MODELS

ELG 16: CREATING WITH MATERIALS.

Design and Create models of minibeasts using a cardboard tube as a base.

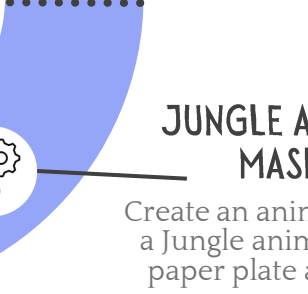

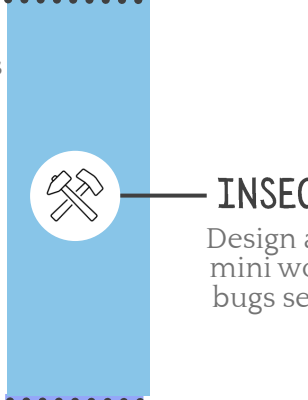

## SELF PORTRAITS

Collage self portraits using mixed materials

## SCARECROWS

Create a scarecrow as a group. (Parent Workshop)

## IGLOOS

Explore the dome shape of igloos. Create a model of an igloo.

## JUNGLE ANIMAL MASKS

Create an animal mask of a Jungle animal using a paper plate as a base .

## JELLYFISH MODEL

Create a model of a Jelly fish that can hang.

- TEMPLATES AND JOINING
- WHEELS AND AXLES
- FOOD TECHNOLOGY

### KEY AREAS OF DESIGNING:

- TEXTILES
- FOOD AND NUTRITION
- MECHANISMS/MECHANICAL SYSTEMS
- STRUCTURES
- ELECTRICAL SYSTEMS
